

Quiz for How to Change your Financial Worldview – Course #2

Answer the Following Five Questions:

1. What is the best way to look at work?

- A. Do it heartily even if you cannot stand it that day
- B. Make work your new “best friend”
- C. See if other people can do the work for you
- D. Do it with a good attitude even if inside you have a bad attitude

2. What should be my work versus learning-about-finances goal?

- A. Always work hard, worry about financial education later
- B. See if your work employer can enroll you in a finances class. Ask your employer to educate you.
- C. See if the amount of time you learn about finances can become closer to the amount that you actually spend working.
- D. If you keep working hard, you will not have to worry about financial education to be successful

3. What is the essence of the Work Hard/Work Smart Equation?

- A. Working hard will only work if you add a little working smart to the equation
- B. Working hard is greater than working smart
- C. Working smart is greater than working hard
- D. They are almost like multipliers, working hard times working smart will equal financial success. You must have both.

4. Why should I decrease my living expenses?

- A. To allow financial room to invest in sources of new income
- B. In order to reduce my stress and live possession free
- C. To make it possible to live on a very meager income
- D. To be a good example for children or future generations

5. Keeping up with the “Jones’s” is dangerous because . . .

- A. The Jones’s may have dangerous habits
- B. The Jones’s might live too expensively to copy and you may go bankrupt eventually
- C. It will lead you astray to get your self-esteem in false ways and neglect the growth of your net worth.
- D. You might learn some bad financial habits and get into bad relationships

Answer Key: 1. B, 2. C, 3. D, 4. A, 5. C
