

Greenwood Bankruptcy Checklist

If you live in Greenwood and you want to file for bankruptcy, get the following four things ready ahead of time on this checklist:

- Get all your creditors ready – start collecting your bills and statements
- Prepare your Income – Print out 6 months paycheck stubs or get your password ready to allow you to download them
- Find your Last Two Years Taxes
- Make Financial Goals – Getting Debt free through bankruptcy is obviously one goal, write down other financial goals you want to achieve in the next 2 years

Remember the following four things about Greenwood Bankruptcy Cases:

- A. All Greenwood bankruptcy cases are filed in the Indiana Southern District Bankruptcy Courthouse in downtown Indianapolis. (Now called the Birch Bayh Federal Building at 46 E. Ohio Street, Indianapolis, IN 46204.)
- B. Greenwood cases will have a bankruptcy trustee assigned on every case. This trustee will make sure that your case gets fully administered and you can get bankruptcy relief (debt free).
- C. Every Greenwood bankruptcy case requires the presentation of your Driver's License and Social Security Card to prove your identity and verify the accuracy of your social security number.
- D. If you own a home located in the Greenwood area, you will also be required to provide a Comparative Market Analysis (CMA) from a Greenwood realtor (or one familiar with the area). Your Greenwood bankruptcy attorney will submit this "CMA" to the trustee as evidence of the value of your home. (NOTE: You can usually keep your home when you file Chapter 7 or Chapter 13 bankruptcy).
